**CAPITAL RETURN APPLICATIONS:
OPERATIONAL CLARIFICATIONS**

Comoros Union, 13th May 2022

In respect to Capital-Return applications (at natural expiry) this is to point out that, as per Public Notice published last 31st January ([file:///A:/WB%20PARTNERS/PUBLIC%20NOTICES/PUBLIC%20NOTICE 31JAN22.pdf](file:///A:/WB%20PARTNERS/PUBLIC%20NOTICES/PUBLIC%20NOTICE%2031JAN22.pdf)), **the processing time, thereby extended to 6 months, must be understood as indicative,** due to the actual significant changes in the international financial scenarios.

It comes after **all Capital-Return applications refer to Loans (and not to any investment products or schemes) granted to Wealth Bank by our Lenders,** which normally fund the underlying investments carried out by the Bank.

Wealth Bank remains fully committed in processing all outstanding applications as soon as possible, providing the relevant Lenders any available updating.

All our Lenders are advised, as usual, to consult our Public Notices Archive at least once every month.

Kind regards.
